

Let's collaborate to make your stay with us a Happy and Relaxing one this year 😊

Please read these FRIENDLY REMINDERS for the 2021 Camping Season prior to your arrival. We comply with these reminders, per the City of Duluth Policy, until it is updated.

Re: CAMPING

- A face covering is required to be worn in indoor spaces of public accommodation (including the store/office, bathrooms and laundry room).
- Max. THREE Visitors/Guests to check-in or in the store -- only ONE person from each camper/tent is advisable.
- Maintain six feet of distance between each other/group. And follow the 6-foot distancing when gathering and moving around the Campground vicinity.
- Guests to register all members of your group, per site, by writing down the names and relationship to you; the registrant.
- Quiet Time is 10PM to 8AM. Please help maintain peace within the campground

Re: FACILITIES

- Bathrooms/Showers are prioritized for tent and non-self-contained Campers. We highly encourage self-contained Campers to rely on the facilities within your campers to minimize traffic in the bathroom areas.
- TWO Persons, or ONE Family @a time in the Bathroom/Shower/Laundry facilities.
- Laundry Room is open by appointment only; 10AM to 7PM (last load is 5PM). Please inform the Staff @the office to open it and do the same once you are done.

Thank you for your cooperation. Get ready for a fun and relaxing stay with us 😊
